## Paycheck Protection Program Guidance Issued

The United States Department of the Treasury issued certain documents, information and guidance with respect to the new Paycheck Protection Program and the loans available under it. The issuance included making the following available:

- **Paycheck Protection Program Application Form** ([click here](#))
- **Payroll Protection Program (PPP) Information Sheet – Borrowers** ([click here](#))
- **Payroll Protection Program (PPP) Information Sheet – Lenders** ([click here](#)); and
- **Small Business Paycheck Protection Program – Cover** ([click here](#))

While the combination of information and documents does address certain questions raised by the CARES Act, there are areas still ripe for further guidance in the days to come.
