CONSTRUCTION & DESIGN CONTRACTS AND NEGOTIATION

Initial contracting and negotiation is a critical part of every construction project. Our Construction & Design attorneys assist clients in preparing and negotiating all types of construction and design contracts and terms, including:

- Development agreements
- Bidding agreements and documents
- Architectural and engineering agreements
- Design-build agreements
- Construction management agreements
- Prime contracts
- Subcontracts
- Purchase orders
- Indemnity, liquidated damages, and other common industry issues
- Project delay and schedule acceleration clauses

Our construction and design contract services and experience include modifications to standard industry contracts, as well as more customized contracts unique to the needs of each client and project.
