MEDIATION

Our Mediation Group includes attorneys who are certified by the Florida Supreme Court as Circuit Court Mediators.

Our attorneys serve as mediators in complex litigation involving matters in which they have experience through their own litigation practice, such as commercial disputes, legal malpractice and other professional liability claims, first party (life, health, disability, ERISA) and third party (liability) insurance coverage issues and catastrophic personal injuries.

These attorneys take an active approach to mediation. They add value to the mediation process by using their own experience to ask the right questions, identify and overcome obstacles to settlement and formulate creative approaches to reaching settlements that may not occur to mediators with less experience in these areas.

Recent representative matters include mediating lawsuits involving complex legal malpractice claims, first and third party insurance coverage issues, ERISA benefit claims, personal injury and wrongful death, and nursing home liability.
