LICENSING AGREEMENTS

Our attorneys are experienced in guiding businesses and individuals through the complex world of licensing agreements. Whether you need assistance negotiating, drafting, or reviewing a licensing agreement, our skilled attorneys are here to help.

We have assisted clients with forming numerous strategic alliances for the commercialization of intellectual property. Whether through joint development agreements, joint ventures, or similar vehicles, we have assisted licensors and licensees of patent, trademark, copyright, trade secret, know-how, and other intangible assets.

We understand that licensing agreements can be crucial for protecting your intellectual property rights while allowing you to monetize your assets. Our team can help you determine the most effective licensing strategy for your business and provide guidance on issues such as scope, duration, and risk assessment.

EXPERIENCE

- Represent an international provider of metrology equipment in licensing patent rights.
- Represented a cold-chain logistics company in licensing patent assets.
