Hill Ward Henderson is pleased to announce it was recently ranked in the top employers in the Midsized Company category of *The Tampa Bay Times Top Workplaces*. Employees nominated their employers and were surveyed about several topics, including practices and policies that make these companies the top places to work. The companies were ranked based on leadership, compensation and training, workplace flexibility, and diversity. The rankings were published on TampaBay.com, in the April 21 edition of the *The Tampa Bay Times* and on April 22 in *tbt*. This is the third year Hill Ward Henderson has been selected for the Top Workplaces award.

The program, *Top Workplaces* was created by *The Tampa Bay Times* and WorkplaceDynamics. In the Tampa Bay region, 100 leading employers were nominated by their employees. To be considered for participation, companies or government entities had to employ at least 50 workers in Florida and be at least a year old.

"We are honored to have been selected for this award, particularly as the judges were our very own employees," explained R. James "Jim" Robbins, Managing Shareholder. "We are proud to give readers an inside look into our corporate family and to hear the stories directly from our employees."
