HWH volunteers Elizabeth Nail, Alicia Cardinez, Prestin Weidner, Anthony Sutherland and Kim Christmas with volunteers from Grant Thornton.

Henderson attorneys and staff teamed up with accounting firm Grant Thornton on April 21, 2012 for *Paint Your Heart Out, Tampa*. This city-wide program enables citizens, businesses, clubs and organizations to lend a helping hand to low-income, elderly citizens in the local community. Over the past 23 years, volunteers and sponsors have given of themselves to paint the homes of more than 2,300 grateful and deserving homeowners.
