Hill Ward Henderson was pleased to sponsor the annual University of Tampa Fellows Forum. This program brings together a distinguished panel of CEOs to share their insights and perspectives with the Tampa Bay business community on current topics. This year's speakers included Stephen M. Lacy, Chairman and CEO of Meredith Corporation, Robert E. Beauchamp, Chairman and CEO of BMC Software and James E. Rohr, Chairman and CEO of The PNC Financial Services Group.

Shareholders, **R. Reid Haney** and **John B. Grandoff, III**, have been longtime and active members of the University of Tampa Board of Fellows. The Board of Fellows was established in 1972 and sees its mission to serve as "goodwill ambassadors" within the community, as well as to provide financial and other support to the University. The Fellows Forum is the Board of Fellows' flagship event where proceeds from the Forum fund the Board of Fellows Endowed Scholarship, which is awarded to a business major.
