The National Law Review's "Go-To Thought Leadership Awards" recognizes 87 exceptional legal authors in practice areas ranging from Aviation Law to Tribal Law. Award recipients are selected from a pool of over 14,000 legal news articles published by the National Law Review (NLR) in 2021. Award recipients contributed timely and well-thought-out legal news that were well read, regularly quoted or cited by other media. COVID related thought leadership remained popular in 2021, due to the uncertainty created by the ongoing pandemic.
